The Oregon State Department of Parks and Recreation is supposed to provide increased enforcement of beach rules and regulations and better signage this year. If you observe inappropriate and dangerous activity on the dunes or on the beach, call the State Police and report as much information as you are able to obtain on the violation. 1-325-2231. Keep a record of any such activity. You may also wish to file a report with the Department of Parks and Recreation, 525 Trade St. S.E., Salem, OR 97310, 1-378-5020.

\*\*\*

In response to the questionnaire regarding circulation of a roster of Surf Pines residents, 43 members wished to be listed on a roster; seven did not. The boards will give further consideration as to whether to distribute a list among those expressing an interest in view of the limited response. Several people who had earlier asked for a roster did not respond to the questionnaire. If a roster is prepared for circulation, no names or other information will be disclosed without an affirmative written response on file. No rosters will be provided to anyone not on the list. The roster would include addresses and telephone numbers unless specifically excluded in instructions below.

Thanks to the nine members who are willing to welcome new residents to Surf Pines. You will be contacted by a board member when we are aware of new members. Board member Bob Knutsen has also agreed to have copies of Amended Articles of Incorporation and Bylaws of Surf Pines available for members at his office, Knutsen Insurance Co., 1555 N. Roosevelt Drive, Seaside.

\*\*\*

Because of the increased development in Surf Pines, more beach access easements will be upgraded for use by residents. In response to membership comment, the board agreed to begin encouraging use of paths over several existing easements west of Ocean Drive. Additional paths will be marked during the annual easement mowing activity. Please consider varying your use of beach access to avoid overuse of any one easement.
